June 2013

## JUNE GENERAL MEETING

Traditionally this meeting has been a potluck but this year the League will provide the sandwiches, chips, pop, and a cake to celebrate the 100th anniversary of women's right to vote. Illinois was one of the first states to grant women a (limited) right to vote in legislation passed June 1913.

If the food isn't enough incentive, we have 4 members attending the State League convention in Bloomington, who will report on the Convention's activities at the June meeting. This is a great time to catch up on the activities of the State League.

## JUNE GENERAL MEETING

When: Thursday, June 13<sup>th</sup>, 2013

Time: Noon

Where: Urbana Park District Facility  
1011 E Kerr, Urbana

\*a brief board meeting will follow the general meeting\*

## PRESIDENT'S LETTER

I am both happy and humbled to be asked to serve as president of the League of Women Voters here in Champaign County. For a second time I will have the privilege to give back to an organization that has nurtured and supported me in my professional and political life. From my first years as a League member -- and as League president (1979-1981) -- in La Salle County, I learned early that I gained much from my League experiences in measures well beyond my ability to contribute. I'm sure the same will continue to be true over these next two years. Anticipating this to be the case, you have my gratitude and I ask your patience as we adjust to the challenges that await us.

The League's mission -- **a non-partisan political organization, dedicated to making democracy work through voter education, issue advocacy, and citizen participation**-- is our guide and measure for focusing our work over the next two years. We have activities and projects already underway and new ones yet to initiate, but endorsed at the annual meeting that support the League's purpose and strengthen the backbone of this organization both locally and nationally.

Ultimately, the greatness of League, though, depends on us -- the members. We must participate in League programs, forums, and studies to the extent that we can. We must recommend League to friends and family. Finally, we must leave the League legacy to the next generation as we address today's issues to make democracy work.

## **MARIANNE FERBER**

Marianne Ferber was born in 1923 in Czechoslovakia and died in Urbana on May 11, 2013.

Marianne was an active member of the Champaign County League for many years and served as President from 1962-1963.

As a longtime professor of economics at the University of Illinois she specialized in the economics of women in the workplace and personally introduced me to the benefits of taxes.

One of the very first LWVCC meetings I attended Marianne was the speaker and eloquently explained why we should be pleased to pay taxes.

Marianne Ferber is one of the many special League members who give us substance and memories that make us a great League of Women Voters!

I will miss her.

## **WELCOME KIM!**

Again this year, our League will have a student intern! Beginning on August 1<sup>st</sup>, Kimberly DeGiacomo will assist us in website development and be a League presence on campus as she collaborates with other student organizations on voter registration, setting up forums, and works on other forms of civic engagement.

Kim is a senior at the UI, majoring in Global Studies and Spanish. She's had experience as an intern with SmileHealthy, a volunteer as a Spanish tutor at Campus Middle School, even worked as a lighting technician at Krannert.

There will be more about Kim in the next newsletter.

### LWVCC Fair Tax: Present and Future

This past year local Leagues in Illinois have been working on the Graduated Rate Income Tax, also known as the Fair Tax, as part of the LWVIL Fiscal Policy ACTION. The first step is to educate our committee members, our own League members and then seek to educate others and our legislators. The goal is to have a constitutional amendment on the November 2014 ballot.

Our LWVCC committee has been reading up a storm of course. More importantly several of us went to training at an LWVIL Bloomington session with Ralph Martire (CTBA) and Peter Starszynski (CBI). Since that time Peter has been in Champaign-Urbana for meetings that LWVCC has publicized and attended. The meetings have included members of the coalition effort to get a fair tax possible with a change to our state constitution. The League also hosted Martire at the May meeting.

The Committee is now working on initial talks with Champaign County mayors and legislators. We anticipate that the LWVIL June Convention will give us further info and impetus for the final campaign to get this on the ballot. Please contact the chair Debbie Rugg [debrugg@aol.com](mailto:debrugg@aol.com) or 621 7180 if you have questions, comments or wish to join us. We meet monthly and are pleased to have new or one time members of our group.
