**Centennial Special Events Coordinator** – assists with planning and funding for upcoming programs to celebrate LWV's and Suffrage anniversaries.

**Public Relations** – publicizes League events both to our membership and to the public.

## **CALLING ALL COLLECTORS!**

In an effort to celebrate, document, and memorialize our history, LWVCC is working with the Champaign County Archives to systematically gather and archive League material. If you served as an officer, worked on a particular campaign or project, scrapbooked or saved press articles pertaining to our League and/or League members, please consider donating your papers and notes to the Champaign County Archives. You need not sort or tidy them up. Contact Margaret Olson at 344-6390 or [olsonmjo@gmail.com](mailto:olsonmjo@gmail.com).

## **ANNUAL FUND DRIVE:**

### **ANOTHER SUCCESSFUL YEAR!**

Thank You! Thank You! Thank You!

Our Annual Fund Drive is over! Thanks to the fifty members and friends who contributed over \$3,000 during our annual fund drive, making possible so much of League's work in the coming year. To the members whose practice is to make an extra contribution as they renew their membership each year, we also extend our appreciation. Your thoughtfulness and generosity is outstanding!

Our thanks also to those who promptly responded to our call for League material to build up our archives. This will be an ongoing process. If you're downsizing or have yet to do an annual cleaning, be aware that we will continue accepting League materials that may be in your possession. Please contact Margaret Olson (344-6390 or [olsonmjo@gmail.com](mailto:olsonmjo@gmail.com)).

We're off to a good start!

## **PRESIDENT'S LETTER**

### *League of Women Voters of Champaign County*

Dear Members,

*"Summer afternoon" - two of the most beautiful words in the English language.* Edith Wharton.

Her quote sums up this Illinois summer quite well!

Now, however, it's time to prepare for another League year, and much of that work began with decisions and actions moved in May. For League, May turned out to be significant as the membership voted in revisions to our by-laws. In effect, we will now operate with a smaller, elected Board which will function more as an executive committee than the hub of all League activity. Consequently, the Board will rely more on the membership to execute traditional League activities and to initiate new ones that further League's mission. May, unfortunately, was devastating for the Redistricting referendum – a good-government, League-backed initiative that would reform the process by which Illinois House districts are drawn, allowing greater transparency through greater involvement by the citizenry. Despite our efforts, the courts overruled some wording, disqualifying the measure from the Nov. ballot. At this writing, discussions are ongoing between/ among Leagues, local Leagues and LWVIL to decide if and how to proceed with a third effort.

Meanwhile, the Board is planning meetings and activities for the upcoming months. At the request of LWVIL, we will revisit the Charter School issue; we will co-sponsor Candidate Forums; we will rely on our observers to share their insights on the business of local taxing bodies. More is in store, so please continue to check your newsletter – either in print or on-line.

Sincerely,  
*Barbara Wysocki*  
LWVCC President

## CHARTER SCHOOL POSITION STUDY UPDATE

In 2001, the LWVIL adopted a position on Charter Schools. Since the original position was adopted there have been many new developments including the creation of the state Commission on Charter schools, the arrival of virtual charters, the rapid increase in the number of charter campuses in Illinois and the existence of numerous studies examining the effects of charter schools. In light of these developments, delegates to the 2013 LWVIL state convention approved updating the Charter Schools Position during the 2013-2015 biennium.

At the state level, the charter schools position update committee has been researching, creating, and debating questions addressing a variety of issues regarding charter schools--ranging from Authorization to Zero tolerance discipline, with consideration for policies which might apply to all public schools, including charters.

LWVCC has put together a local committee, co-chaired by Theresa Michelson and Sue Phillips, which has begun to look at the materials provided by the state league. Committee members Lillian Katz, Jo Kibbee, Pat Meller, Peggy Patten and Susan Taylor are reviewing the online materials provided by the state committee and the seven of us will be meeting as a group for the first time on October 16<sup>th</sup>. Between then and a meeting of League members on November 18<sup>th</sup>, we will be discussing the material, coming to our own conclusions about the issues and deciding how to present the pertinent information to our members and obtain consensus on an updated position.

All of the materials provided by LWVIL are available online, including the state League position from 2001: <http://www.lwvil.org/charter-schools.html>

If anyone else is interested in being on the committee, you must be able to attend the first meeting at 9 am on October 16 at 2013 Silver Ct W, Urbana.

If you have questions or would like more information, contact Theresa at 344-4078 or [thmichelson@gmail.com](mailto:thmichelson@gmail.com)

The League Newsletter is going digital! Starting this month we will be offering the newsletter in print and digital copy. If you would like to receive the newsletter through email, please sign up at our web site below.
